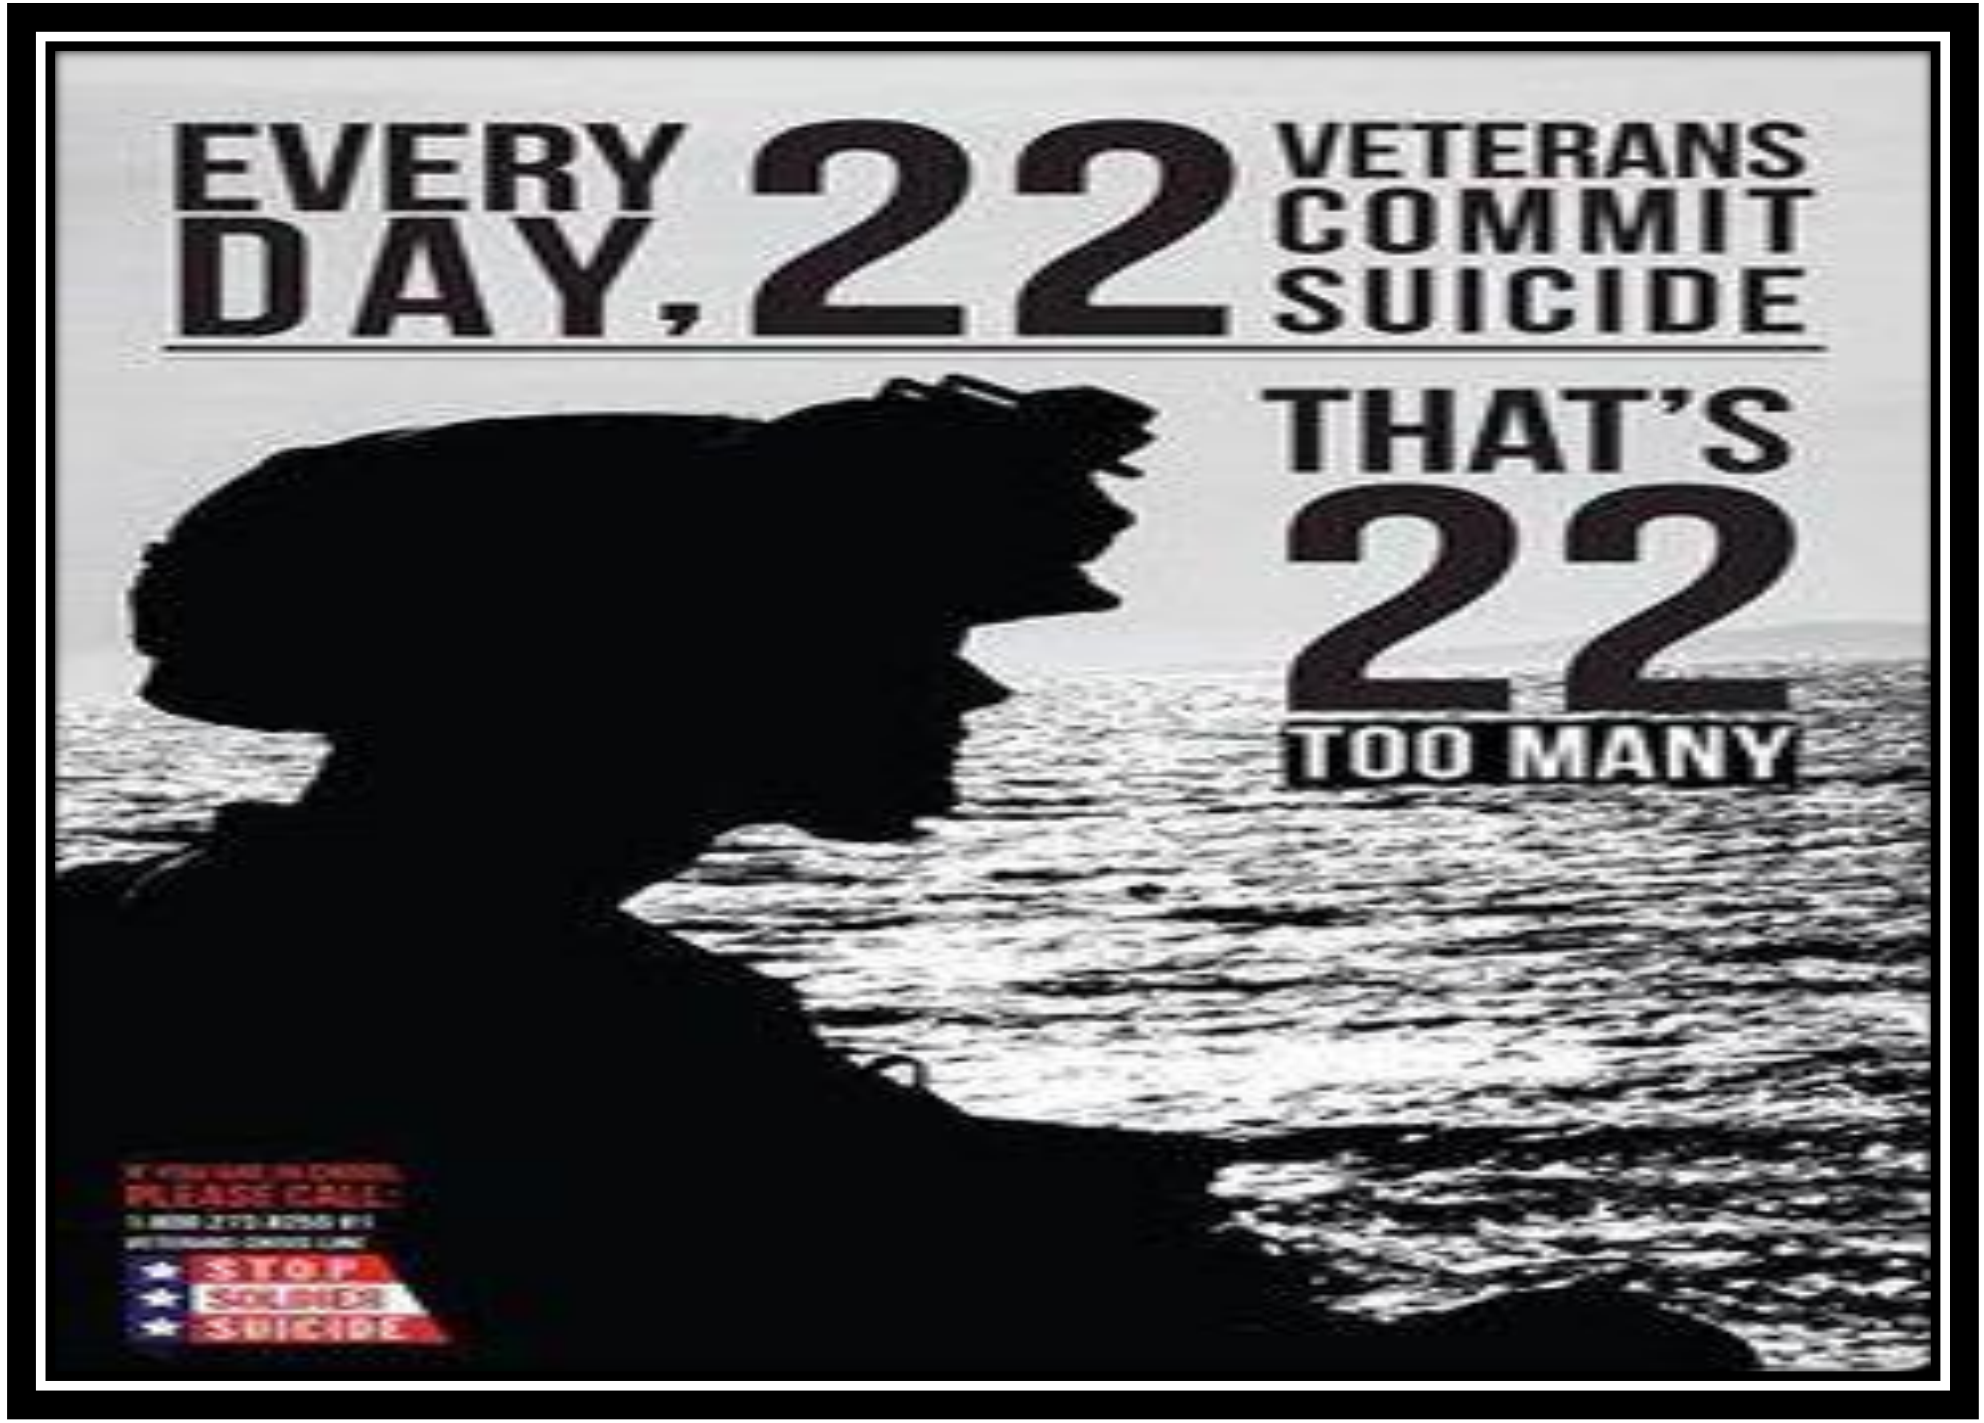
Jordan Haerter Home For Transitioning Veterans

FELLOW COUNTRYMEN'S
MISSION STATEMENT:

We Strive to Prevent Veteran Suicide by providing transitional housing. We ensure veterans receive all eligible benefits and gain meaningful employment through mentorship.
All the while building a Grassroots Community/Veteran
Network to support one another.



EVERY DAY, 22 VETERANS COMMIT SUICIDE
THAT'S 22 TOO MANY
PLEASE CALL:
STOP SOLDIER SUICIDE

WHY?

There are many reasons Veterans have a higher suicide rate than the rest of the population.

1. Life is different when we come back to the reality, a lot of us joined to get away from.
2. One experiences a traumatic event i.e. Rape (MST), Combat just to name the 2 biggest causes of PTSD
3. Transitioning back to an environment where life isn't as serious usually causes a Veteran to feel like they cant "fit in".

You can help reduce
the statistic of
22 a day!
Bless those who are
struggling with your LOVE!

Fellow Countrymen's Program

- Our current program is a 6-24 month live in program for Homeless Veterans.
- The first 3 months are provided for free regardless if they have a job when they move in.
- We require them to stay 100% clean and sober from all substances while living in our home. We do random drug screens and breathalizers.
- We work with them to get them a meaningful job.
- We have partnered with the VA to assist them in receiving any eligible benefits.
- We hold a weekly support group on Saturdays from 12-2
- Currently we are not assisting woman veterans.
